### Events of Default

As described in the Information Memorandum

---

## PART G: CREDIT ENHANCEMENT

---

### Mortgage insurance

46.2% of the indicative loan portfolio is insured by a primary policy including all Mortgage Loans with an LVR greater than 80%. The primary policies are provided by either QBE LMI or Genworth and cover against non-payment of 100% of the principal amount and interest secured by the Mortgage Loan security. The Trustee's ability to claim is subject to the terms of the relevant policy.

### Excess Spread

Remaining excess income in the income waterfall (pre enforcement) will be utilised to cover current period losses and then to reimburse Charge-Offs that remain on the Notes.

### Subordination

Following enforcement of the security under the relevant Transaction Documents:

1. the Class A Notes will rank pari passu and rateably amongst themselves and ahead of the Class AB, the Class B, the Class C, the Class D, the Class E and the Class F Notes for payment of principal and interest on the Notes;
2. the Class AB Notes will rank pari passu and rateably amongst themselves and ahead of the Class B, the Class C, the Class D, the Class E and the Class F Notes for payment of principal and interest on the Notes;
3. the Class B Notes will rank pari passu and rateably amongst themselves and ahead of the Class C, the Class D, the Class E and the Class F Notes for payment of principal and interest on the Notes; and
4. the Class C Notes will rank pari passu and rateably amongst themselves and ahead of the Class D, the Class E and the Class F Notes for payment of principal and interest on the Notes; and
5. the Class D Notes will rank pari passu and rateably amongst themselves and ahead of the Class E and the Class F Notes for payment of principal

and interest on the Notes.

6. the Class E Notes will rank pari passu and rateably amongst themselves and ahead of the Class F Notes for payment of principal and interest on the Notes.

### **Carryover Charge-Offs**

Carryover Charge-Offs will be allocated in the following order:

1. To reduce the balance standing to credit in the Amortisation Ledger until this balance is reduced to zero;
2. Class F Notes until the Stated Amount of the Notes is reduced to zero;
3. Class E Notes until the Stated Amount of the Notes is reduced to zero;
4. Class D Notes until the Stated Amount of the Notes is reduced to zero;
5. Class C Notes until the Stated Amount of the Notes is reduced to zero;
6. Class B Notes until the Stated Amount of the Notes is reduced to zero;
7. Class AB Notes until the Stated Amount of the Notes is reduced to zero; and
8. Class A Notes (parri passu to the Class A1 and Class A2 Notes) until the Stated Amount of the Notes is reduced to zero.

### **Re-instatement of Carryover Charge-Offs**

Using any available excess spread, Carryover Charge-Offs will be reinstated in the following order:

1. Class A Notes (parri pasu to the Class A1 and Class A2 Notes) until the Stated Amount is equal to the Invested Amount of the Notes;
2. Class AB Notes until the Stated Amount is equal to the Invested Amount of the Notes;
3. Class B Notes until the Stated Amount is equal to the Invested Amount of the Notes;
4. Class C Notes until the Stated Amount is equal to the Invested Amount of the Notes; and
5. Class D Notes until the Stated Amount is equal to the Invested Amount of the Notes.
6. Class E Notes until the Stated Amount is equal to the Invested Amount of the Notes.
7. Class F Notes until the Stated Amount is equal to the Invested Amount of the Notes.

### **Amortisation Ledger**

For each Payment Date following the first possible Clean-Up Call Option Date, a monthly payment equal to the Amortisation Amount will be paid from excess spread to principal collections to be applied in accordance with the Principal Distributions (pre-enforcement). An amount equal to the Amortisation Amount will be recorded in the Amortisation Ledger as an equal and offsetting balance.

This mechanism results, over time, in an increase in the balance of the

Amortisation Ledger and therefore an increase in the level of credit support available to the Class A, Class AB, Class B, Class C, Class D and Class E Notes over time if the Notes are not called on the first possible Call Option Date.

**Amortisation Amount**

for each Payment Date after the first Call Option Date, the greater of:

- a) zero; and
- b) an amount equal to:
  - i. the Total Available Income available for distribution at item 20 remaining on that Payment Date after allocation with the Income Distributions waterfall (pre-enforcement); less
  - ii. an amount determined by the Manager (by applying the corporate tax rate applicable to the Residual Income Unitholder to the relevant amount) necessary for the Residual Income Unitholder to meet the income tax liability that it is likely to incur in connection with the amount it would have received on that Payment Date had all of the Remaining Total Available Income been distributed to the Residual Income Unitholder on that Payment Date.

---

## PART H: LIQUIDITY SUPPORT

---

**Threshold Rate**

The Manager must ensure that the Mortgage Loan interest rates are set to maintain the interest rate on the Mortgage Loans at a level at least 0.25% p.a. higher than the minimum threshold interest rate. The minimum threshold interest rate satisfies the obligations of the Trust, including interest on the Notes, and higher ranking fees and expenses.

**Principal Draw**

If the Manager determines that there is insufficient income of the Trust to meet the Required Payments on the Payment Date, then Principal Collections for that period can be used to fund the payment shortfall ("Principal Draw").

**Liquidity Facility Limit**

means at any time the amount equal to the greater of:

- a) A\$350,000; and
- b) 1.00% of the aggregate Invested Amount of all of the Notes at that time.

The Liquidity Facility Limit can be drawn upon to the extent that there remains a shortfall in income available to meet the Required Payments on the Payment Date following application of Principal Draws.

**Extraordinary Expense Reserve**

On the Issue Date the Trustee will establish an Extraordinary Expense Reserve equal to A\$150,000, which is available to meet any liquidity shortfalls as a result of extraordinary out of pocket expenses of the Trust.

### IMPORTANT NOTICE:

This term sheet ("Term Sheet") is being distributed in Australia by Australia and New Zealand Banking Group Limited (ABN 11 005 357 522) (AFSL 234527) ("ANZ") in its capacity as Arranger, Joint Lead Manager and Bookrunner and by National Australia Bank (ABN 12 004 044 937) ("NAB") in its capacity as a Joint Lead Manager in connection with the proposed issue of notes described in this Term Sheet ("Notes") by Perpetual Trustee Company Limited as trustee of the AFG Trust Series 2017-1 (the "Issuer"). ANZ, together with NAB are collectively referred to in this Term Sheet as the "Dealers".

This Term Sheet is for distribution only to professional investors whose ordinary business includes the buying or selling of securities such as the Notes described in this Term Sheet in circumstances where disclosure is not required under Chapters 6D or 7 of the Corporations Act 2001 (Cwth) and in such other circumstances as may be permitted by applicable law. This Term Sheet should not be distributed to, and is not intended for, any other person.

This Term Sheet is not intended for and must not be distributed to private clients in the United Kingdom. This Term Sheet may only be communicated or caused to be communicated in the United Kingdom to persons authorised to carry on a regulated activity under the Financial Services and Markets Act 2000 (UK), as amended or to persons otherwise having professional experience in matters relating to investments and qualifying as investment professionals under Article 19 of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 or to persons qualifying as high net worth persons under Article 29 of that order.

This Term Sheet is not for distribution in the United States of America or to US Persons. This Term Sheet does not constitute an offer of securities in any of those jurisdictions. In particular, the Notes have not been registered under the U.S. Securities Act of 1933 and may not be offered, sold or resold in the United States or to a U.S. person.

In each Member State of the European Economic Area which has implemented the Directive 2003/71/EC (each a "Relevant Member State") and any relevant implementing measure (the "Prospectus Directive"), this Term Sheet may only be communicated or caused to be communicated to persons in a manner that complies with the Prospectus Directive.

If this Term Sheet is distributed in Hong Kong, this Term Sheet is only for the general information of persons who are "professional investors" within the meaning of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) ("SFO") and any rules made under SFO and is not a research report. In no circumstances may this Term Sheet be made available in whole or in part to retail clients in Hong Kong.

This Term Sheet is not to be circulated or distributed, whether directly or indirectly, to the public or any member of the public in Singapore other than: (a) to institutional investors or other persons falling within section 274 of the Securities and Futures Act (Chapter 289) of Singapore ("SFA"); (b) to a relevant person pursuant to section 275(1) of the SFA, or any persons pursuant to section 275(1A) of the SFA and in accordance with the conditions specified in section 275 of the SFA, or (c) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA, and may not be distributed or shown to any other person.

The distribution of this Term Sheet in certain jurisdictions may be restricted by law. No action has been made or will be taken that would permit a public offering of the transaction or the securities described in this Term Sheet in any jurisdiction where action for that purpose is required. No offers, sales, resales or delivery of the transaction or the securities described in this Term Sheet may be made in or from, or to a person in, any jurisdiction except in circumstances which will result in compliance with any applicable laws and regulations and which will not impose any obligation on the Dealers or any of their affiliates.

This Term Sheet was prepared solely by the Dealers for informational purposes using the information directly extracted from the preliminary information memorandum, offering circular or other disclosure document for the Notes provided by AFG Securities (ABN 90 119 343 118) ("Trust Manager") and is not intended to be a complete statement or summary of the Notes, particularly with respect to the risk and special considerations associated with an investment in the Notes. This Term Sheet does not purport to contain all relevant information and is subject to qualification and assumptions, and should be considered by investors only in the light of risk factors, disclaimers, lack of assurance, representations and precautionary matters, as will be disclosed in the Information Memorandum. If any offer of securities is made, it shall be pursuant to a definitive Information Memorandum prepared by or on behalf of the Issuer and the Trust Manager ("Information Memorandum") which would contain material information not contained herein and which shall supersede, amend and or supplement this Term Sheet in its entirety. Any decision to invest in the securities described herein should only be made after reviewing such definitive Information Memorandum, the terms and conditions of the Notes (including any pricing supplement relating to this issue), conducting such investigations as the investor deems necessary and consulting the investor's own legal, accounting and tax advisors in order to make an independent determination of the suitability and consequences of an investment in the securities and not in reliance on this Term Sheet. Furthermore the Dealers may have or come into possession of information not contained in this Term Sheet or the Information Memorandum that may be relevant to any decision by a recipient to invest in the Notes. The Dealers are not under any obligation to disclose any such information to any recipient or to update this Term Sheet or the Information Memorandum and any conduct by any Dealer should not be construed as implying that any Dealer is

not in possession of such information. The Dealers do not undertake to update this Term Sheet.

The information contained herein may contain "forward-looking statements". These may include, among other things, projections, forecasts, estimates of income, yield or return, future performance targets, expected Payment Dates, sample or pro forma portfolio structures or portfolio composition, scenario, analysis, specific investment strategies and proposed or pro forma levels of diversification or sector investment. These forward-looking statements may be based upon certain assumptions. Actual events are difficult to predict and are beyond the Dealers' control. Actual events may differ from those assumed. All forward-looking statements included are based on information available on the date hereof and none of the Dealers or their related bodies corporate or affiliates assume any duty to update any forward-looking statement. Some important factors could cause actual results to differ materially from those in any forward-looking statements including the actual composition of the receivables, loss ratios and delinquency ratios.

This Term Sheet is provided solely for informational purposes and is not to be construed as a solicitation, recommendation or an offer to buy or sell any Notes or any other notes transferable deposits or other securities or related financial instruments or derivatives and should not be treated as giving investment advice. This Term Sheet may include estimates and projections and involves significant elements of subjective judgment and analysis. Past performance is not indicative of future results. Certain information may have been sourced from third parties who are believed to be reliable, but this information has not been verified by the Dealers. None of the Dealers or any of their related bodies corporate, affiliates, officers, employees, agents, advisers or contractors gives any representation or warranty (expressed or implied) as to the accuracy or completeness of the information contained herein.

This Term Sheet has no regard to the specific investment objectives, financial situation or particular needs of any specific recipient. Prior to acquiring the Notes recipients should consult with their own legal, regulatory, tax, business, investment, financial and accounting and other advisers to the extent that they deem necessary, and make their own investment, hedging and trading decisions (including decisions regarding the suitability of this investment) based upon their own judgement and upon advice from such advisers as they deem necessary. It is not the intention of the Dealers to create legal relations on the basis of the information contained in this Term Sheet. The Dealers, their related companies and their respective directors and employees are not acting as advisers to recipients or in a fiduciary capacity, and do not assume any duty of care in this respect.

Each of the Dealers, their related bodies corporate and/or their directors, officers and employees or clients may, from time to time, as principal or agent, have long or short positions in, or may buy and sell, any Notes or related financial instruments or derivatives. Furthermore, each of the Dealers and their related bodies corporate may perform for or solicit investment or other banking services from, any company mentioned in the Term Sheet. Each of the Dealers, their related bodies corporate and/or their directors and employees may also act as placement agent, adviser or lender to the Notes' Issuer.

The Arranger, Joint Lead Managers, Bookrunner and Dealers to the issue, will receive a fee from the Notes' Issuer for Notes sold.

Each of the Dealers discloses that, in addition to the arrangements and interests it will have with respect of the Issuer of the Notes referred to in this Term Sheet, the assets and the Notes as described in this Term Sheet (the "Transaction Document Interests"), it, its Related Bodies Corporate, its Related Entities (as defined in the Corporations Act) and employees:

- (b) may receive fees, brokerage and commissions or other benefits, and act as principal with respect to any dealing with respect to any Notes (the "Note Interests").

You acknowledge these disclosures and further acknowledge and agree that:

- (i) each of the Dealers and each of their Related Bodies Corporate, Related Entities and employees (each a "Relevant Entity") will or may have the Transaction Document Interests and may from time to time have the Note Interests and is, and from time to time may be, involved in a broad range of transactions (the "Other Transactions") in various capacities (the "Other Transaction Interests");
- (ii) each Relevant Entity in the course of its business may act independently of any other Relevant Entity;
- (iii) to the maximum extent permitted by applicable law, the duties of each Relevant Entity in respect of the Notes are limited to the contractual obligations of the Dealer (as the case may be) as set out in the Transaction Documents and, in particular, no advisory or fiduciary duty is owed to any person;
- (iv) a Relevant Entity may have or come into possession of information not contained in this Term Sheet or the Information Memorandum that may be relevant to any decision by a potential investor to acquire the Notes and which may or may not be publicly available to potential investors ("Relevant Information");
- (v) to the maximum extent permitted by applicable law, no Relevant Entity is under any obligation to disclose any Relevant Information to any party named in this Term Sheet or any Related Bodies Corporate or affiliate (a

"Transaction Document Party") or to any potential investor and this Term Sheet, the Information Memorandum and any subsequent conduct by a Relevant Entity should not be construed as implying that the Relevant Entity is not in possession of such Relevant Information; and

(vi) each Relevant Entity may have various potential and actual conflicts of interest arising in the course of its business. These interests may conflict with the interests of a Transaction Document Party or a Noteholder, and a Transaction Document Party or a Noteholder may suffer loss as a result. To the maximum extent permitted by applicable law, a Relevant Entity is not restricted from entering into, performing or enforcing its rights in respect of the Transaction Document Interests, the Note Interests or the Other Transaction Interests and may otherwise continue or take steps to further or protect any of those interests and its business even where to do so may be in conflict with the interests of Noteholders or a Transaction Document Party, and the Relevant Entities may in so doing act without notice to, and without regard to, the interests of any such person.

This is not a comprehensive or definitive list of all actual or potential conflicts of interest. Further information will be contained in the Information Memorandum issued in connection with the issuance of the Notes and you should consider that.
