

## Ex-AFL legend now a star on a new playing field

4 August 2015

**A household name when it comes to football, premiership winning player and former Port Adelaide club captain Dom Cassisi is now creating a name for himself as the rising star in the finance industry, helping householders across South Australia find the right finance.**

At AFG's High Achievers Gala Dinner on Saturday night Dom took out the prestigious Rising Star Award for the 2014/2015 year. The award is based on the volume of business written by a new entrant into mortgage broking.

AFG State Manager Alan Walker congratulated Dom on his award: "Dom's impressive business results are a testament to the fact he is able to bring his leadership skills from the footy field to the finance field.

"Having only commenced finance broking a year ago, Dom has enjoyed a stellar rise, fast becoming one of the industry's fastest growing mortgage brokers.

"With Dom's impressive results to date we're sure he'll continue to lead the way.

Dom Cassisi says he's been thrilled with his success in what is such a buoyant and dynamic time for the industry.

"I am really honoured to receive this award, up against some tough opposition! The transition from full time football to finance has been a rewarding experience. Helping my clients navigate through one of the most important decisions they will make to find the right solution to meet their individual needs is really satisfying.

Dom's business Funding Options operates from Norwood and draws clients from all over the state.
