Aggregator reporting

Glossary of terms

Aggregator	The group that holds the direct agreement with a lender i.e. not sub-aggregator. ASIC also further defines an aggregator as: “A business which provides aggregation services to a broker business or broker and with which a lender a direct contractual relationship. It does not include a broker business or broker which does not provide aggregation services, even if there is a direct contractual relationship with the lender. If a lender has a contractual arrangement with an entity for aggregation services and a related party of that entity provides the aggregation services to a broker business or broker, then the two entities are treated as one aggregator.
Broker	A registered individual Credit Representative that is active as at 30 June for the completed reporting period and has been operating as a broker for the 12-month reporting period.
Lender	Includes a person who has a servicing agreement with a special purpose funding entity (ASIC definition).
Lenders Available	All lenders whom the aggregator has an active agreement in place with at time of publication.
Lenders Used	Based on paid settlements to the broker during the reporting period
Paid Settlements for Aggregator Reporting	\$ value of residential mortgage settlements disbursed by the Lender in relation to business introduced by brokers for Aggregator aligned to the aggregator in the reporting period.
Reporting Period	1 July to 30 June of the financial year; data is taken once per annum, not on a rolling annual basis.
